Developmental Disability Services

Dawn Enterprises, Inc.

The mission of Dawn Enterprises, Inc. is to assist individuals of Southeastern Idaho with mental, physical or social disabilities in achieving independence through employment training, skill training, social development, or living enhancements up to each individual's maximum capability.

About US

Dawn Enterprises, Inc. is a private non-profit organization that offers Employment, Housing and Community Support Services to assist individuals of Southeast Idaho with mental, physical, or social disabilities to achieve independence up to each person's maximum capability.

Dawn Enterprises has been incorporated since December 20, 1974 and has been in continuous operation since. Dawn Enterprises, Inc. is governed by a Board of Directors whom are volunteer citizens with a wide range of experience and expertise. They oversee the operations of the company and make decisions on the future direction of the organization.

Dawn Enterprises, Inc. is National Accredited with CARF, an organization whom provides consultation, education, training, and publications that support the organization and services. CARF ensures that accredited organizations provide quality and valuable services to their individuals.

Developmental Therapy

Developmental Therapy provides training to enhance individuals' daily living skills. Skills are taught in the most natural setting possible to teach individuals social interaction skills, eating and meal planning, personal health care, domestic skills, time management, money management and community orientation. Psychological, occupational, speech and physical therapy are also available.

Adult Activity Center

Adult Activity Center is a supervised and structured day program that provides a variety of activities and services in a safe and protective environment. Participants are assisted with a social skills, self-help skills, personal health care, and daily living in a variety of settings.

Residential Habilitation Services

Residential Habilitation Services provide individuals with developmental disabilities assistance with self-care and daily living skills to maintain their optimum independence in their home.
